Before I started to breed the Scotties I've owned and met different breeds and types of dogs during my entire live - owned Collie, German Shepherd, Saluki, German Boxers, French Bulldog, Kerry Blue Terrier, bred Wire Fox Terriers, and all of them often in homely company with the team of rescuedogs. I have no special preferences for whichever style of a breed. I still believe that a dog should be fit without exaggerations to be able fit the functions for what he was bred historical and I always follow this way when judging. ELIZABET ANNE CAMINADE-LAVAUULT

I was born in London, England. My parents emigrated in 1972 and I grew up in Zimbabwe amongst a household of Briards, Griffons and Pomeranians. My earliest association with dog showing was through Junior Handling and I handled numerous breeds to Championship status.

I started Ring Stewarding at 16 years of age and secured my first judging appointment in 1994. My judging qualifications were earned in Zimbabwe and South Africa and I am now an All Breeds Judge.

Over the years I have served as Club Secretary for both specialist Group clubs as well as All Breeds Clubs. I have served on the executive of the Zimbabwe Kennel Club and as a member of the Kennel Association of Zambia. I have served as Treasurer for Kitwe Animal Welfare Society, Kitwe, Zambia.

I moved to Chester, England with my partner of 32 years; Grant for our son, Michaels' education.

I have judged at National and International Shows in Zimbabwe, Zambia, South Africa, Australia, New Zealand, Cyprus, Ireland, Thailand, Norway, France, Denmark and Lebanon.

Born in 1968 in Schiedam (Netherlands), raised with Dobermanns, German Shorthaired Pointer and later on I get also Tibetan Spaniels.

We trained (SCH./H/IPO) and showed our Dobermanns with excellent results, also we showed our Tibetan Spaniels and they received many champion titles.

At young age I started to work as a ring steward and wanted to become a judge, at the age of 26 years I passed my first breed exam "Dobermann".

In 2019 I passed my last breed exam and I am an FCI allround-judge now.

I had the honour to judge at specialties (CAC) and CACIB-shows in the following countries:

- United Kingdom, Ireland, Belgium, Luxemburg, France, Gibraltar, Switzerland, Italy, Austria Czech, Croatia, Hungary, Greece, Ukraine, Russia, Latvia, Estonia, Finland, Sweden, Norway, Denmark, Germany, Israel, South Africa, Indonesia, USA and ofcourse in The Netherlands

2018 was a special year for me, because I had the honour to judge Best in Show at the TopDog-competition of the Dutch Kennelclub and at the WDS judged FCI group 2 in the finals.

I am looking forward to meet you in Oslo

FRANCISCO SALVADOR JANEIRO

I was born in Alentejo, a nostalgic and beautiful region, sparsely populated, beautiful landscape, where one can see the flat land covered by yellow wheat fields in extremely hot summer days. Alentejo in the south of Portugal, is the region where the beloved Cao Rafeiro do Alentejo comes from. Such a breed is still very popular among people from this region; also my grand parents owned and bred the Cao Rafeiro do Alentejo.

However, my history as a breeder started with a Doberman!. Once, I decided to get a puppy and brought it into my place. At that time, a Doberman was looked at as a dangerous dog and a few people would accept to have it living together with little children in the house. I decided to get the puppy Doberman into my home and tell that I had found him lost in the street. That seemed to be the best excuse I could figure out so that the dog would be accepted and welcome at home. Thanks God, the Doberman puppy turned out being an adorable character, and soon was it loved by everyone. The next step was to find consensus within the family to breed my own Doberman, what happened soon, under CASA BRANCA Kennel's name.

As a breeder, I conquered several awards both with Doberman and Portuguese Water Dog, as well as I was awarded with the trophy for the Best Breeder of Iberic Breeds (Portuguese and Spanish Breeds).

I became a judge in 1986 and I stopped showing my dogs, myself, ever since. In 2011 I had my last litter of Mini Pinscher and I stopped breeding.

Countries where I have judged:

I've been interested in dogs since I was a kid, I just love dogs. My first dog was an American Cocker bitch, Champion and my first BIS winner. We've had Champion Afghan Hounds and English Cocker as well. Today we only have Old English Sheepdogs under the kennel name Reata. The OES's that we bred have won their championships all over the World, including World, European, English, American, Australian championships and champions in almost every European country!

We have BIS winners in Europe, South and North America, RBIS at European Dog Show, Group Winners both at the World and European Shows, WD and two times AOM at the American National, two times BIS at the Euro-OES Show, BOB at Crufts etc. Our last big result was with an OES from our breeding who won Group 2nd at the World Dog Show 2021. We achieved all that never having more than five adults at home.

I've been judging dogs for almost 35 years, and I am approved by the Croatian KC and FCI as an all-round judge. I have judged so far in Argentina, Austria, Australia, Bosnia and Herzegovina, Canada, China, Croatia, Colombia, Czech Republic, Denmark, England, Estonia, Finland, France, Germany, Honduras, Holland, Hungary, Italy, Israel, Latvia, Lithuania, Mauritius, Mexico, Norway, Philippines, Poland, Portugal, Russia, Serbia, Slovakia, Slovenia, Spain, Sweden, Ukraine, USA and Yugoslavia. In 2019 I've judged BIS on 6 continents including BIS at Sydney Royal.

I am very proud that I am first Croatian judge who gave CC's in UK.

In 2014 I received an Award for lifetime achievement in breeding from Croatian KC.

Author of many articles about dogs in different magazines, I have given lectures about dogs to different audiences, from beginners to judge's organizations.

I am married, have 2 wonderful kids, have Master's degree in computer sciences, and still breeding OES.
